BOWLING CENTER HOLDS GRAND OPENING HERE

Literally thousands of South Bay residents, along with hundreds from other areas, visited the South Bay Bowling center November 10 to see the formal opening of the nation's most exciting playground.

Following an invocation delivered by Commander McClellan, United States Navy, the dedication ceremonies proceeded with Georgie Jessel, America's Toastmaster general at the microphone.

Famous personalities of the bowling world, including officials of the National Bowling Council from New York and Chicago were among the guests introduced. Cecil R. King, Congressman from the 17th District, was guest of honor. Many congratulatory mes-

sages and floral displays were sent to Sidney Brody and Edward Lasker, owners of the South Bay center, Hawthorne near 174th St., and to Peter Spiros, general manager.

During the evening a program of match game bowling was presented, featuring ten men and ten women bowlers, leaders in the sport in this area. High scoring woman was Dottie Crouch; Ed (Sarge) Easter, 74 years young, bowled high score in the men's division.

V.Q. BLUNDERBUSS

Conspiracy

I believe that newspapers, columnists, and commentators have been derelict in their duty to keep the public informed at all times about all things. I accuse them, one and all, of news suppression, news distortion, and a black-out of Truth!

I have reference to the shameful disregard of a number of major occurrences which have been blandly, ruthlessly and conspiratorially suppressed.

Did you know that:

- January 2-8 was Odorous Decoration Week?
- January 14-21 was Take Tea and See Week?
- February 3-12 was Kraut and Frankfurter Week?
- March 1-13 was One-Dish Meals with Cheese Week?
- March 27-April 2 was National Laugh Week?
- May 1-31 was Better Bedding Time?
- June 1-30 was American Fresh-Water Pearl Month?
- June 20-26 was National Bow Tie Week?
- August 1-31 was National Sandwich Month?
- August 2-8 was National Relaxation Week?
- September 1-30 was National September Better Breakfast Month?
- September 25-October 1 was National Tie Week?
- October 9-15 was Save the Horse Week?
- October 16-22 was Pass the Laugh Week?

If my hunch is right, you did not know these things. And if I had not brought them to the light of day, you would never have known them.

Why? Because no one would have told you!

But I'm going to tell you these things! I'm going to expose this conspiracy to pull the wool over the public's eyes, defrauding Americans of the right to know!

I have the facts and the documents. They shall be made available to you!

(Editor's note: The Torrance Press is proud to be able to bring you V. Q. Blunderbuss' fearless expose of the "Special Days, Weeks and Months' conspiracy. Next week his hard-hitting column will deal with National Smile Week and Mother-in-Law Day (the two do not coincide). (All rights reserved by author)

After Cruise

Destroyer Division 191, commanded by Captain N. A. Lidstone, returned to Long Beach last Sunday morning following a six-month cruise to the Far East. The division left Long Beach April 17th.

WAYNE BISCHOFF, 1621 Greenwood ave., was credited with saving the life of a young child recently. Bischoff, about to cross Crenshaw blvd. at Redondo Beach blvd., saw a car bearing down on the young boy who was in the act of crossing the street. He flung himself at the boy, pushing himself out of the way. The car struck Bischoff instead. Bischoff, an El Camino student and junior assistant scout master (Greenwood troop), is being considered for a scout heroism medal. "Anyone would have done what I did," he said self-deprecatingly. "The car was bearing down on us both and I would have got hit anyway."

Christmas Club Plan Announced

Starting Monday, November 19, the Christmas club program will be inaugurated at the South Bay bank in Manhattan beach, according to Frank Lettow, president.

Lettow pointed out that the Christmas club is one of the easiest ways of saving money to welcome Santa and the yule season.

Tying in with the program is a contest with 170 awards totaling \$10,000.

To be eligible individuals must 1) join the 1957 Christmas club; 2) write a letter (250 words or less) about "Why I join the Christmas club"; 3) mail the letter as instructed.

Financial institutions who have the Christmas club plan will pay out over one billion dollars this year to over 12,800,000 members.

Men's Store Remodeled

Extensive remodeling has been completed on Jean's Apparel shop for men in Hermosa Beach. It has been announced by Robert Jean, civic leader and owner of apparel shops in Hermosa Beach and Manhattan Beach.

An attractive "new look" with a flagstone walk and walls, new lighting fixtures and roof to floor glass front mark it as one of South Bay's most attractive and most complete men's stores in this area.
